Call for workshops/short courses to accompany Paste 2019

8–10 May 2019 | Cape Town, South Africa

Your proposal is to include the following:

- Information pertaining to paste, thickened and filtered tailings, and relevant areas of interest.
- Title of course.
- Name, position titles, affiliations, brief career details and contact details for all course presenters.
- Course overview, objective and themes (one A4 page).
- Expected target audience and required background for those expected to attend the course.
- Draft full day programme, listing presentation title and time slots.
- Any item that the course participant should provide, e.g. calculator, computer etc.
- If the delegate is expected to purchase items pertaining to the course, i.e. course proceedings (book), software etc., then these items are to be listed or priced.

The number of short courses to be offered will be restricted, and evaluations of the courses will be based on the nature and quality of the proposal, as well as the timeliness and relevance of the short course topic.

In order to receive full consideration, we invite you to submit your short course proposal by Friday 30 August, 2018.

Email your submission to events-acg@uwa.edu.au
