**22<sup>nd</sup> International Conference on Paste, Thickened and Filtered Tailings  
Cape Town, South Africa, 8–10 May 2019**

**COPYRIGHT PERMISSION AGREEMENT**

The Author named below wishes to contribute a paper (referred to as “the Work”) for the Proceedings of the 22nd International Conference on Paste, Thickened and Filtered Tailings, published by the Australian Centre for Geomechanics (“ACG”).

The Author confirms that he/she is the sole owner of all copyrights in the Work (including diagrams, images etc.) and is able to enter into this agreement in relation to the copyrights in the Work. The Author confirms the Work (entirely or partially) has previously not been published, and is not currently submitted elsewhere for publication at this time.

The Author hereby licences all copyright in the Work to the ACG including the worldwide exclusive right to publish the Work in all mediums and languages including, but not limited to: hard copy, electronic, Internet and CD/DVD formats.

*\*Please note that only one author is required to sign this form. \*Please submit electronically*
